Interior Design

About me

In the last decade, Steadwin Interiors have evolved as a provider of premium lifestyles. A Bengaluru-based organization; we at Steadwin have successfully completed several prestigious interior design and fit-out projects across the Deccan plateau. We take pride in creating unique living spaces for our customers.

Our focus is, and always has been, to create and enrich masterfully created interior living spaces for modern-day comforts.

At Steadwin, we believe in homes, not houses - by creating life spaces for you and generations after, we provide assets that ensure inheritance.

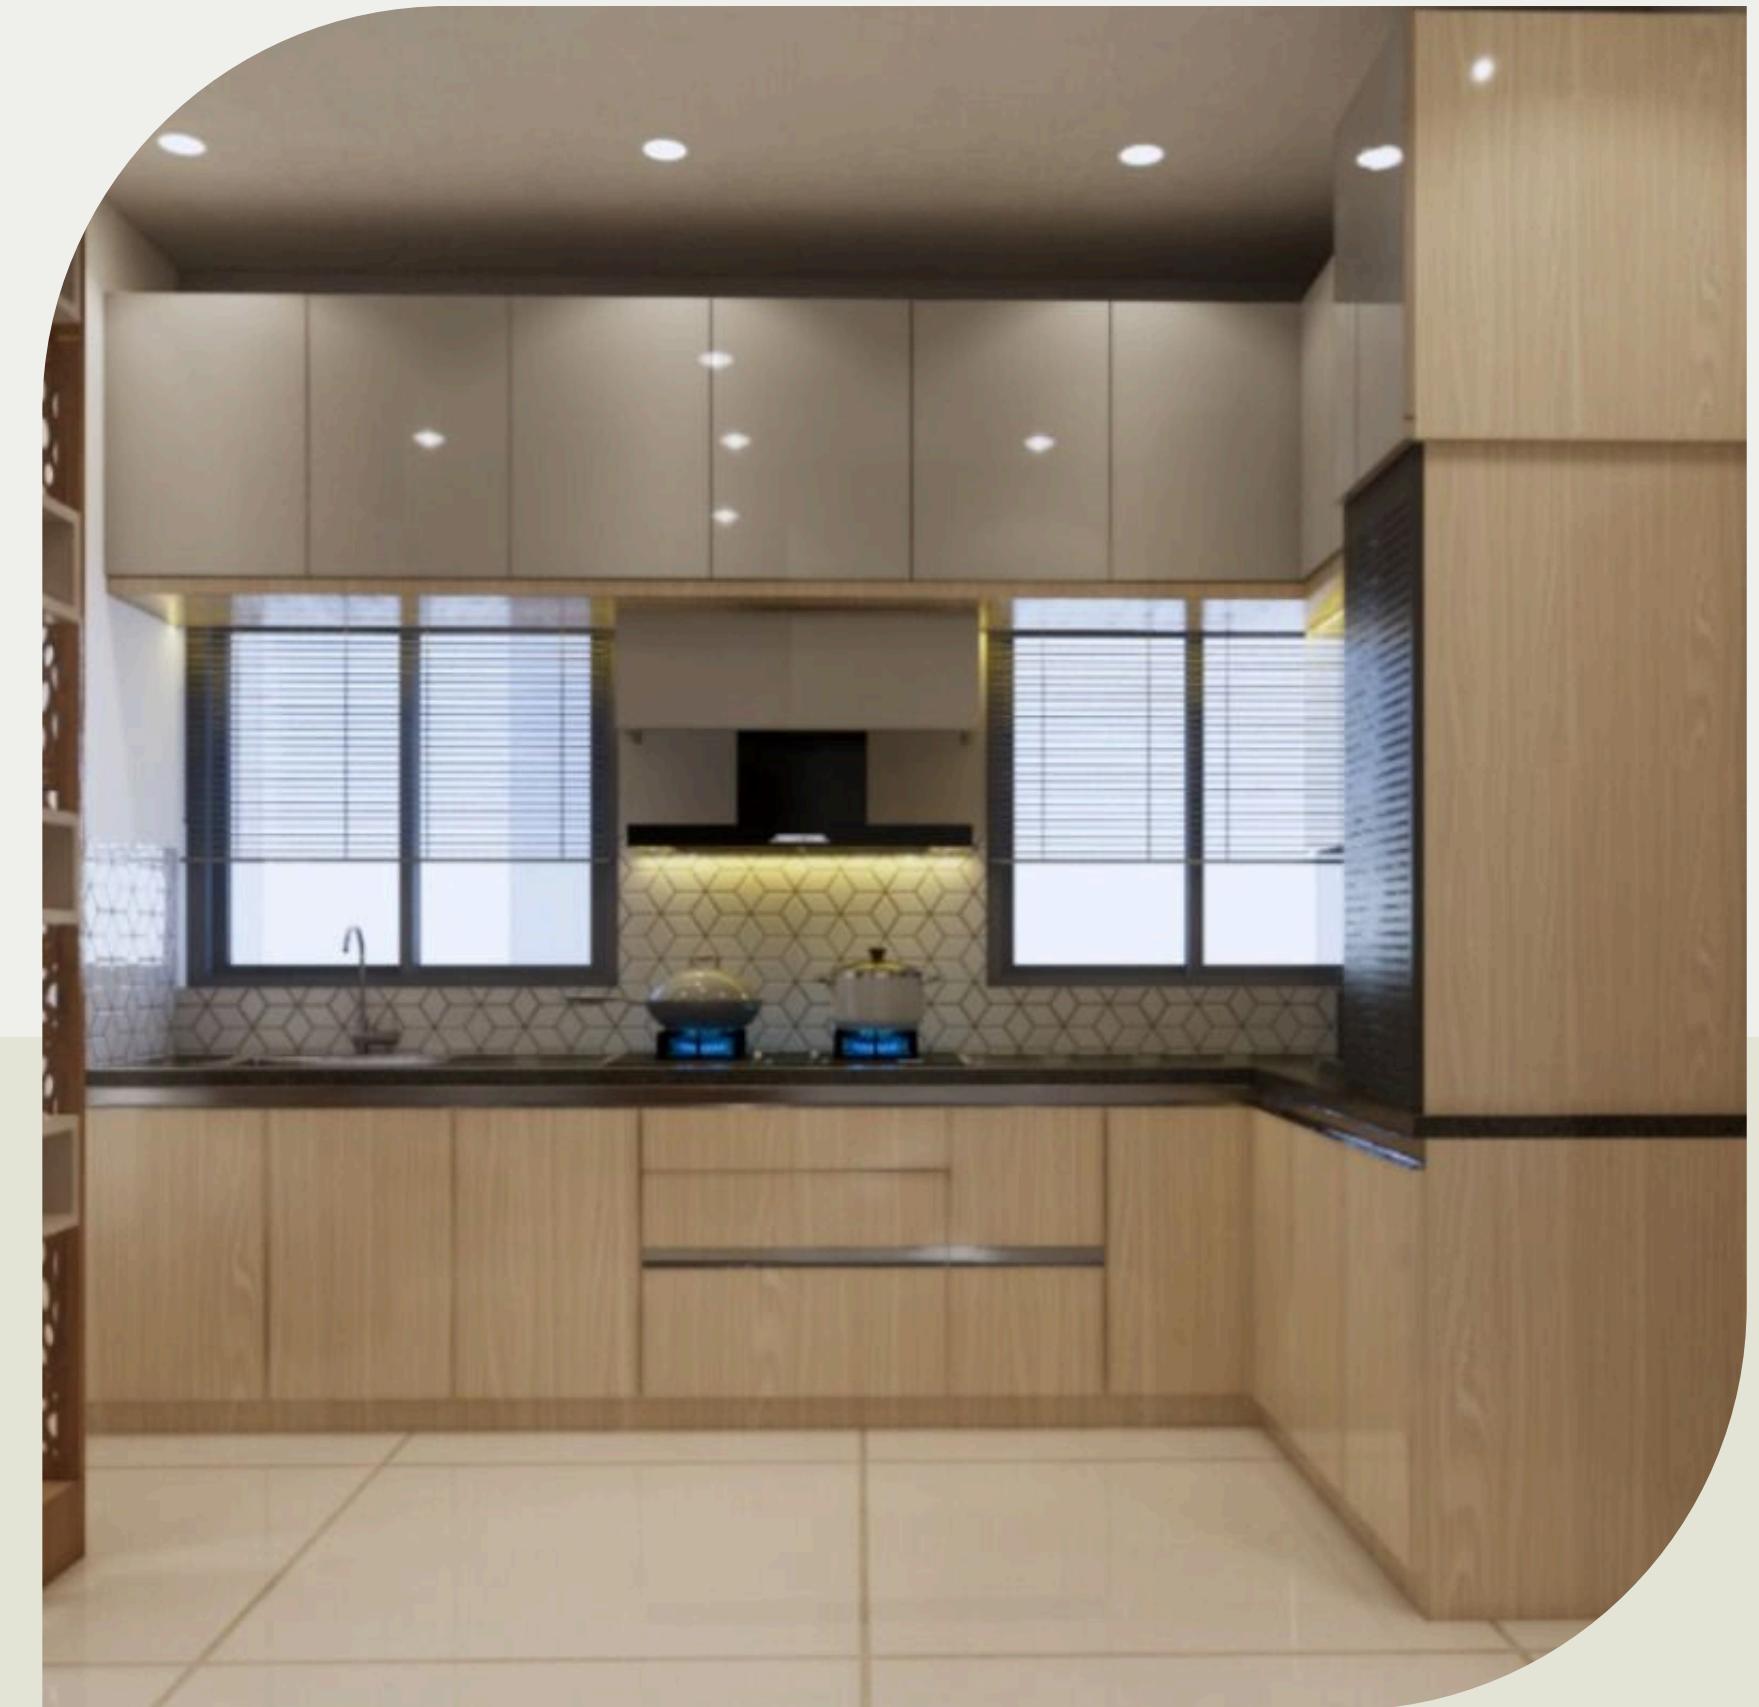

We believe that luxury is only not meant for the 1%. We focus on providing true value through offering interior design solutions that are brimming with the latest creature comforts and amenities at honest prices.

Modular Kitchen

A modular kitchen is a modern kitchen design concept that uses pre-fabricated modules or units, such as cabinets, countertops, and appliances, that are assembled to create a functional and efficient kitchen space, maximizing space utilization and aesthetics.

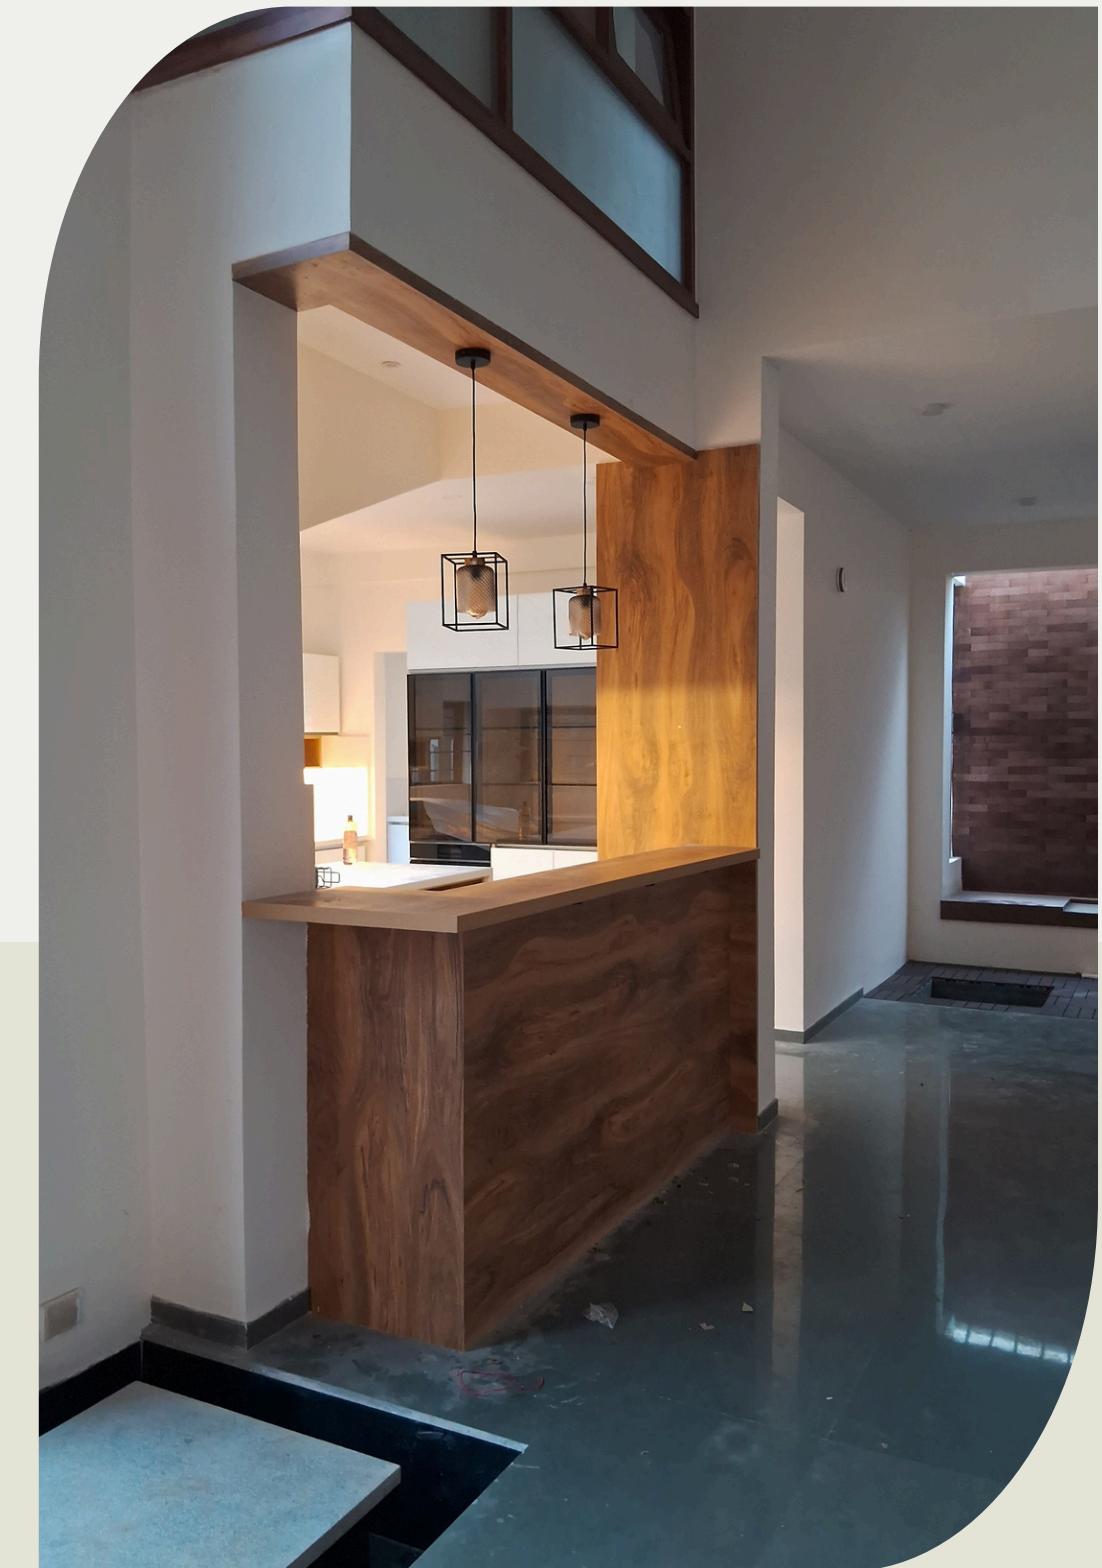

The straight modular kitchen is a simple and efficient design, ideal for small spaces. It consists of a single counter along one wall, with all the cabinets and appliances arranged in a straight line. This design is perfect for apartments and compact homes where space is limited.

Living Room

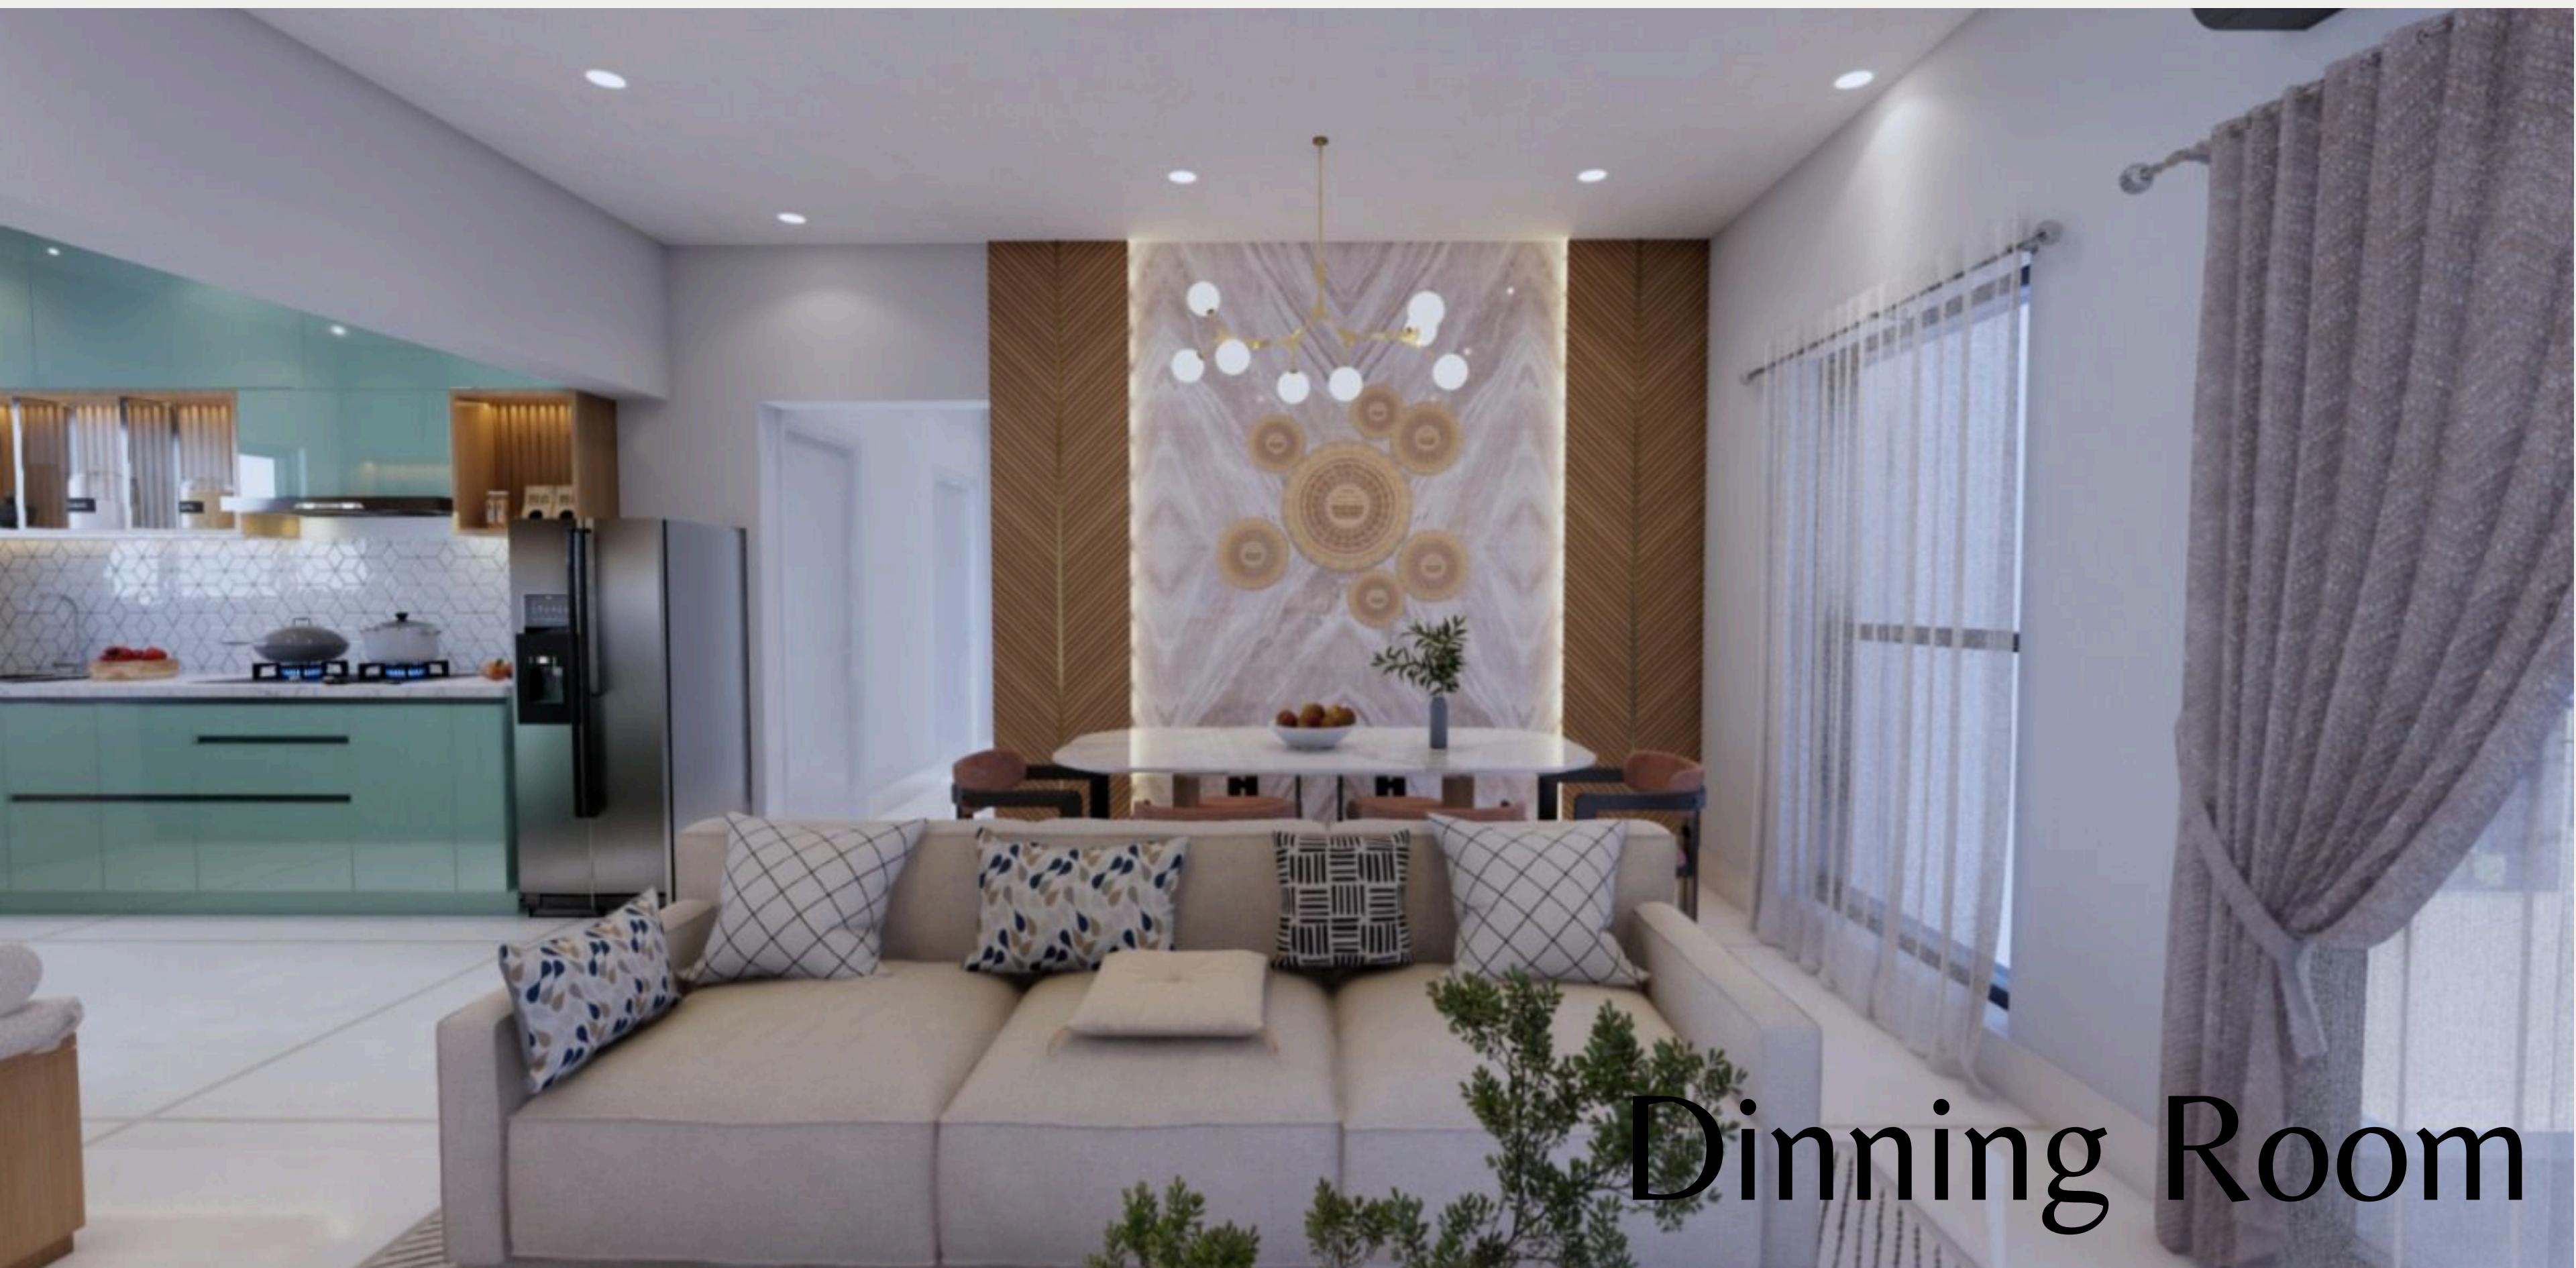

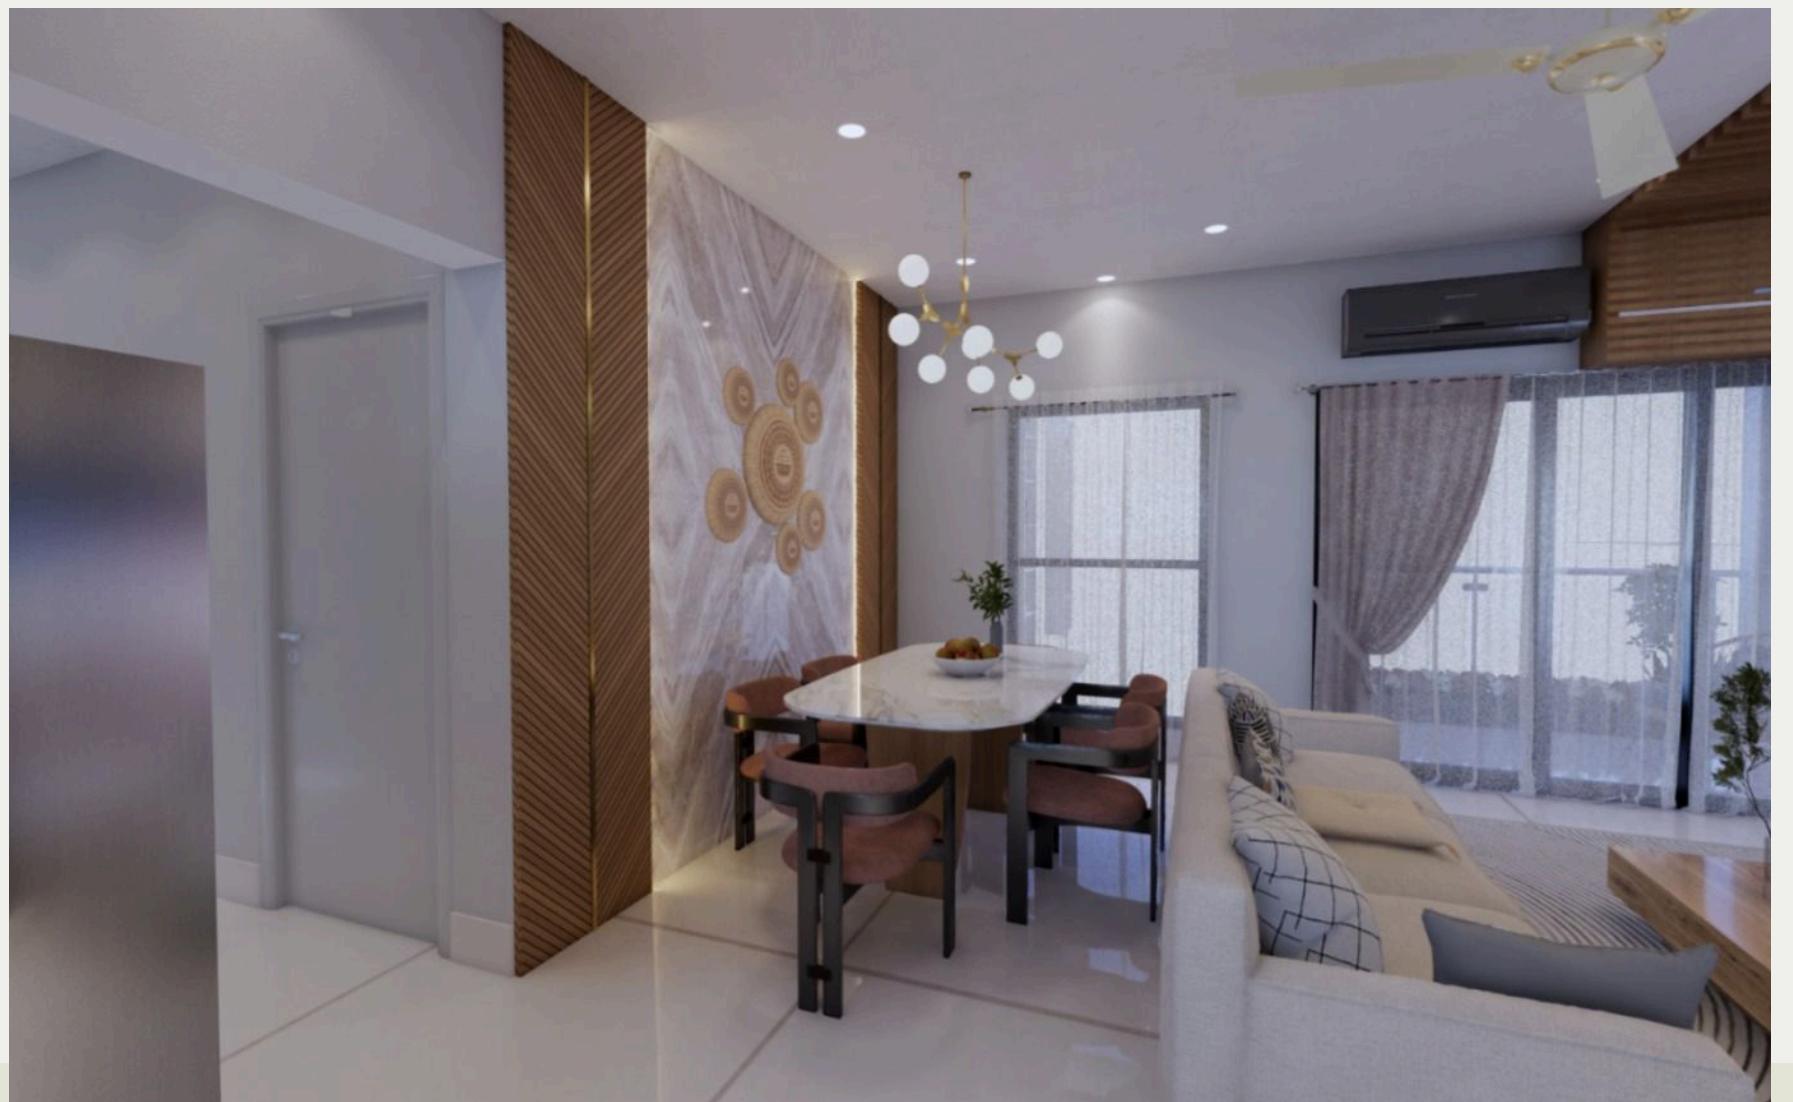

Living room means any room in a Dwelling used for the common social activities of the occupants, and designed for general living, whether or not combined with specific activities such as dining, food preparation, or sleeping.

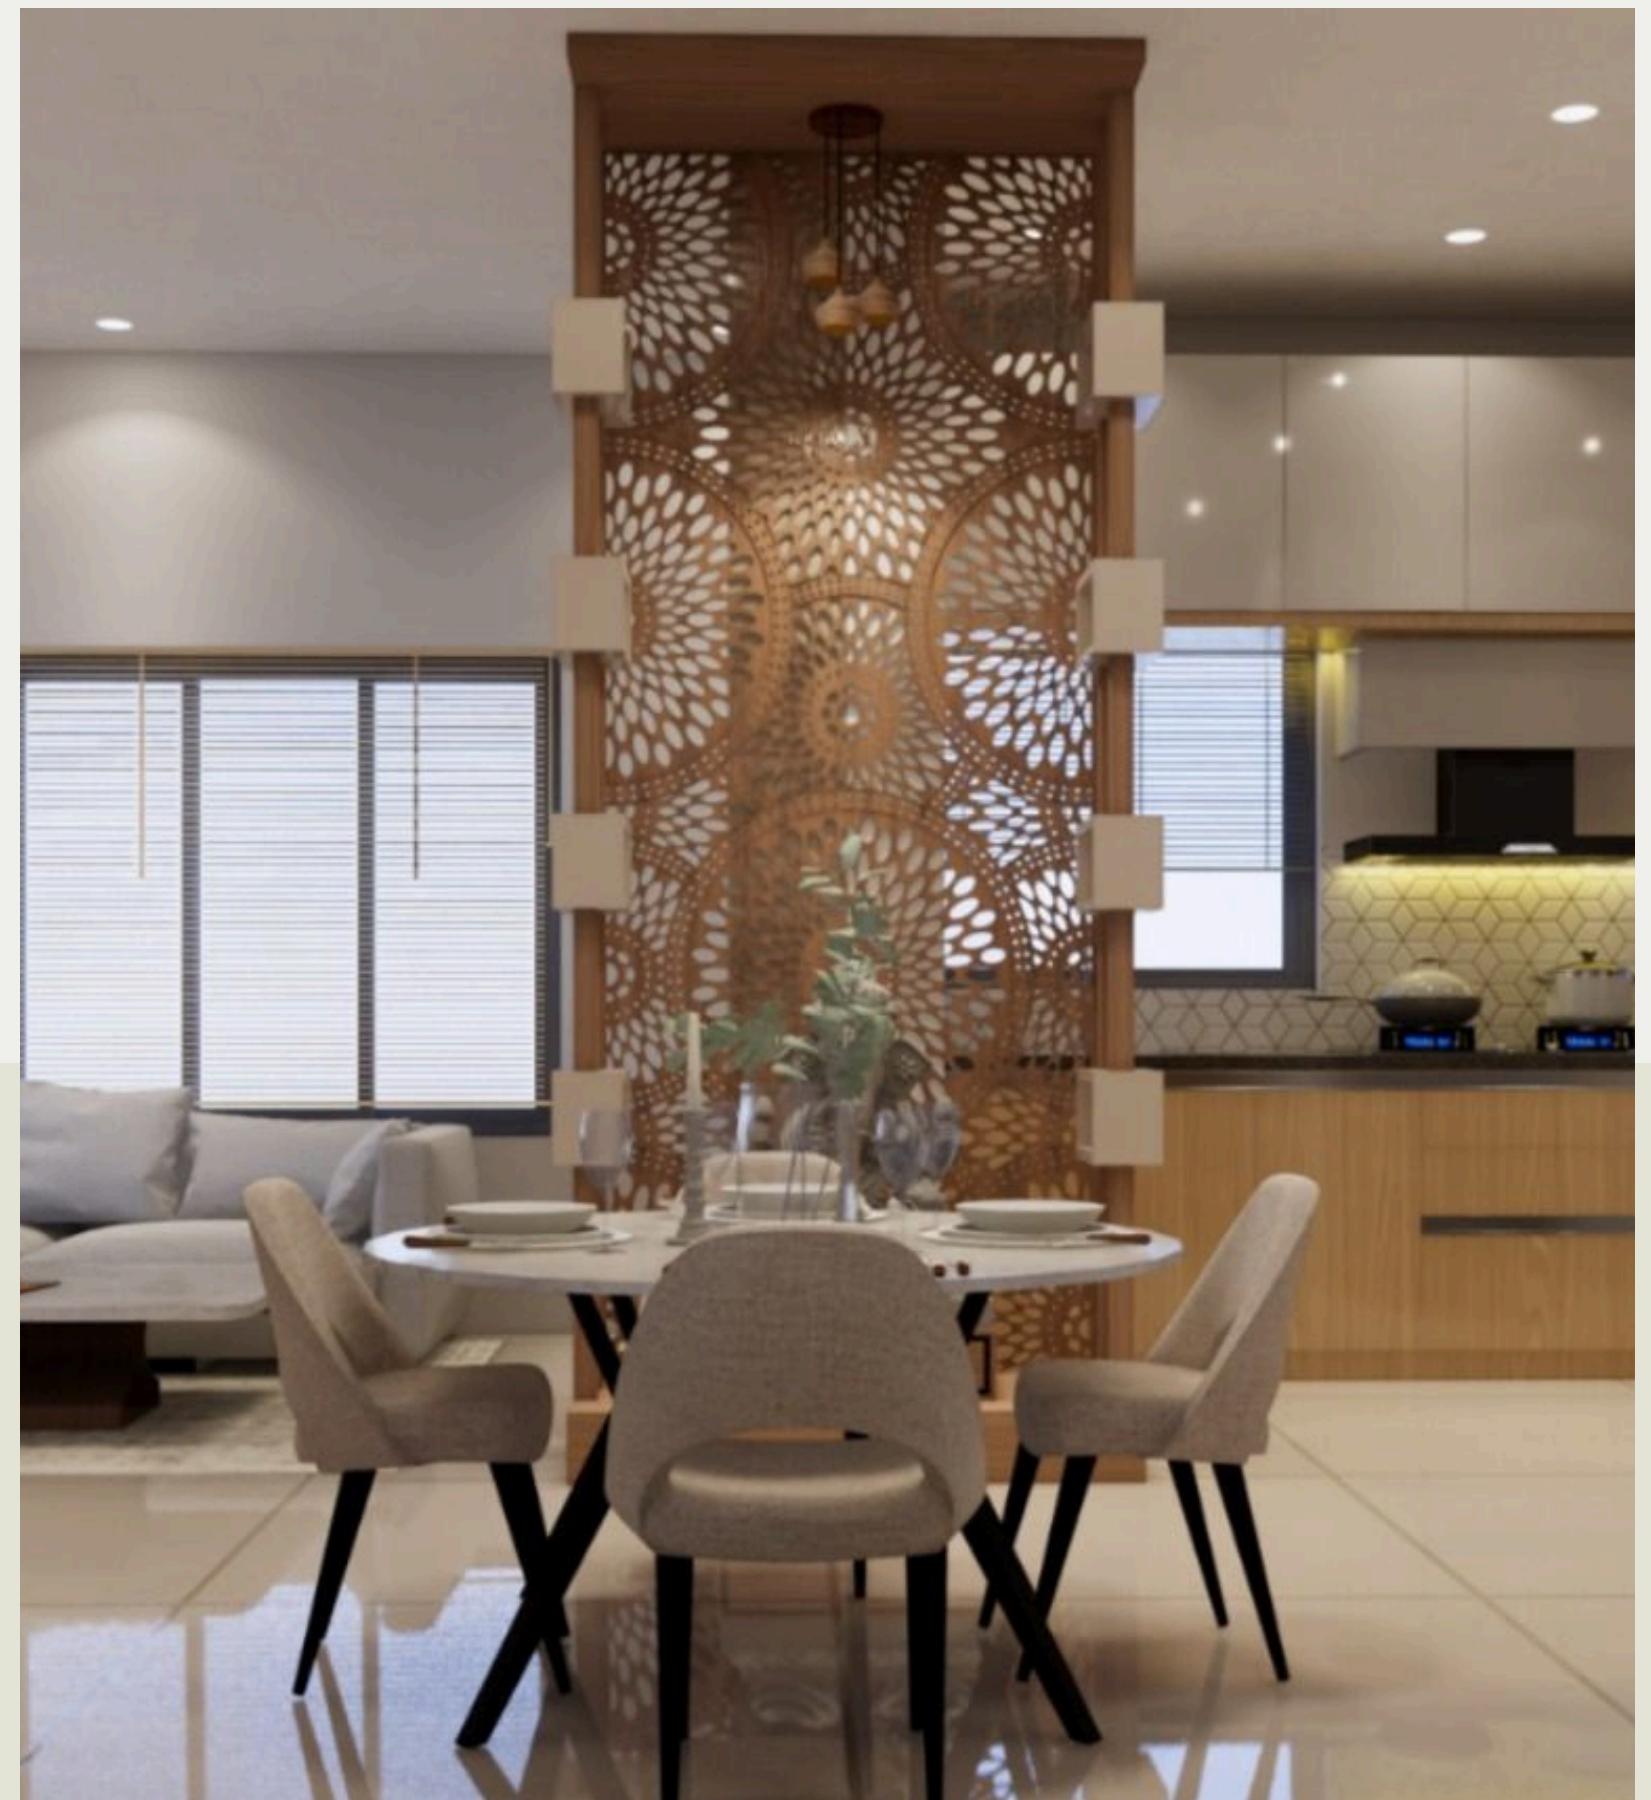

Space within a dwelling unit utilized for living, sleeping, eating, cooking, bathing, washing and sanitation purposes.

Dinning Room
